Jill is ckg. w/ the Gov.

11/05/01 Rec.'d Gov.'s response back w/ "If I am here - If something else comes up, I will do the other thing."
Jill will call Camille Parker and let her know that the Gov. may be able to stop and visit w/ them on their tour, but I can't make any definite confirmation on this due to some other events going on.
11/12/01 Jill left Wes a v-m to remind him that the Gov. may be doing this if he is here and they would like a photo. Camille Parker spoke w/ Wes last week about this or left him a message because I transferred her to him.
